## 👤 PROFILE

Enthusiastic 4th year Software Engineering student at the Amsterdam University of Applied Sciences. In my spare time, I often play around developing small components for websites and researching ways to make websites even more awesome. I am often investigating new programming languages and topics and I try to learn as much as I can.

## 🎓 STUDY

HBO-ICT: Software Engineering, Hogeschool van Amsterdam, Amsterdam  
2018 — Present

- Propeduse with cum laude.
- Voted best product in project AMSTA; 'mobilizing' residents of nursing home ASMTA with ICT.
- Achieved all study points without resits.
